

Teagasc client contract

A Chara,

All Teagasc advisory service client contracts are for a duration of 12 months and are renewed annually unless you instruct otherwise.

- Your contract starts on the date displayed in your contract renewal notice;
- your contract renewal notice is issued approximately one month before the end of your previous contract;
- you need to tell your local Teagasc office at least five working days before the contract start date if any change is required; and,
- payment of your advisory contract fee is due within 30 days from the start date of your contract. Late payment might lead to a reduction in services and/or publications available to you.

Our fees are applied under Section 8 of the Agriculture (Research, Training and Advice) Act 1988. The current schedule of charges for the advisory service is available on request from your

local Teagasc office, or online at:

<https://www.teagasc.ie/about/farm-advisory/advisory-services/advisory-charges/>.

Teagasc advisory service “terms of engagement” set out the terms on which our programme is provided. They are available on the back of all Teagasc advisory service client financial documentation.

Please see sample of a contract renewal notice on the reverse side of this page.
