

Contact List for Timber Buyers & Contractors

Bringing timber growers and buyers together

As a forest owner, it is strongly recommended in all instances when accessing this list that you:

- seek valid quotes and references from at least three contractors/buyers
- ensure that the contractor/buyer employed by you is adequately insured, qualified, accredited and certified
- ensure that the contractor/buyer employed by you is in a position to carry out works or services on an agreed schedule
- agree terms, dates and prices before any work commences
- enter into an appropriate legally binding contract regarding all agreed works and conditions
- ensure that you are tax compliant. Seek professional advice
- ensure that all work is properly and professionally supervised

Disclaimer

Contact details of Timber Buyers and Contractors are provided for general information purposes only, and should under no circumstances be taken as an endorsement of the contents or practices of those companies. Teagasc gives no guarantees, undertakings or warranties whatsoever concerning the accuracy, completeness or up-to-date nature of information provided and does not accept any liability whatsoever arising from any errors or omissions. Teagasc reserves the right to change all or any of the information provided at any time, but shall not be responsible for or liable in respect of any such change in information.

While Teagasc endeavours to keep this list updated, we cannot ensure that the information as provided by Timber Buyers / Contractors is accurate. It is the responsibility of the Timber Buyer / Contractor to provide Teagasc with correct, up to date contact details. To include, correct or update contact details, please email forestry@teagasc.ie.

Please visit www.teagasc.ie/forestry for information on timber prices, timber sales, timber sales contract template, managing safety in forestry operations, felling licence regulations, chainsaw safety, etc.
