

**Save yourself money!**

**TRIPLE RINSED PESTICIDE AND DAIRY HYGIENE CONTAINERS ARE NOT HAZARDOUS WASTE**

Bringing your clean washed (triple rinsed) pesticide and dairy hygiene containers to any of the Hazardous Waste Collection Centres advertised on this leaflet **will cost you more** than you need to spend.

**Please bring them to your nearest IFFPG farm plastic recycling bring centres.**

A half tonne bag filled of clean washed (triple rinsed) pesticide and/or dairy hygiene containers costs **ONLY €15 at an IFFPG farm plastic recycling bring centre.**

**Call IFFPG on 1890 300 444 or go to [www.farmplastics.ie](http://www.farmplastics.ie) for further information on recycling your farm plastics.**

**Collection centres will open from 9:30AM TO 3:30PM**

## Guidance for farmers on handling, segregation, packaging and transporting

By noting the guidance and information here farmers will greatly assist in the efficient and safe operation of the farm hazardous waste collection centres each day.

|  |   |
|--|---|
| 1. Each waste type must be <b>clearly identifiable</b> .   |    |
| 2. Mixed waste and unidentifiable wastes will <b>NOT BE ACCEPTED</b> .   |    |
| 3. Waste engine and hydraulic oils <b>should not be mixed</b> with any other substances.   |    |
| 4. <b>All needles</b> and syringes to be delivered to the centres in a <b>separate sealed container</b> .                                      |   |
| 5. Farmers will be responsible for all their farm hazardous waste until <b>the appointed waste contractor confirms acceptance of waste</b>     |  |
| 6. <b>Payment by cash, cheque or card required on the day</b> . All wastes will be rounded up to the nearest kilogram and charged accordingly. |  |
| 7. Farmers will be issued with a receipt of payment and a <b>certificate of transfer of the control of waste on each day</b> .                 |  |

### Collection centres will only operate between the hours of 9.30 am to 3.30pm

8. Farmers should **segregate and package** their wastes to avoid leaks during transport. Farmers should load their wastes so that they can be off-loaded at the 4 main operational areas at each centre.

Waste oil acceptance area

WEEE & battery acceptance area

Hazardous waste acceptance area

Empty containers

9. **The following wastes WILL NOT BE ACCEPTED**

- Silage wrap
- Fertiliser and feed bags
- Netting and twine
- Tyres

10. Wastes can **NOT be dropped off before or AFTER** the designated collection day.
