Job Opportunities with Teagasc

We're HIRING!

Join the Climate Action Team

Teagasc have a number of exciting new recruitment opportunities. Come join the team, and be a part of the organisation's efforts to support the agriculture and food sector, in addressing climate action and developing Ireland's Sustainable Food System for the future.

The banner features a woman in a blue Teagasc jacket standing in a field with cows. Below the text are icons representing wind turbines, solar panels, a cow, and a house. The Teagasc logo and 'Agriculture and Food Development Authority' are at the bottom.

A grid of ten circular headshots of staff members, each with their name and job title below. The background features a stylized landscape with wind turbines, solar panels, a tractor, and a house.

 Rory Newell Forestry Research Technician	 Marianne Mulhall Specialised Organic Advisor	 John Cagney Application Developer	 Conor Bracken Greenhouse Gas Emissions from Peat Soils
