Department of Agriculture,
Food and the Marine

PROTECT YOUR HERD FROM WILDLIFE

STOP, STOP, TELL.

STOP cattle getting to badgers at pasture by fencing off badger setts and latrines

STOP badgers getting to cattle at housing by making the yard and feed badger-proof

TELL the Department of Agriculture, Food and the Marine of any badger activity on your farm.

REDUCE THE RISK POSED BY BADGERS TO YOUR CATTLE BY:

- **FENCING OFF BADGER SETTS AND LATRINES TO KEEP CATTLE AWAY FROM BADGERS**
- **FEEDING CATTLE IN RAISED TROUGHS, AND BEING CAREFUL NOT TO SPILL OR FEED CONCENTRATES ON THE GROUND.**
- **RAISE DRINKING TROUGHS**
- **RAISING MINERAL LICKS OFF THE GROUND SO THAT BADGERS CANNOT ACCESS THEM**
- **BADGER PROOFING FARM BUILDINGS AND YARDS**

**YOU CAN REDUCE
THE RISKS AND HELP TO MAKE
IRELAND BOVINE TB FREE**
