How to create and manage gardens for butterflies.

Photographs of all life stages, foodplants and habitats.

### PRAISE FOR HARDING'S

"DISCOVERING IRISH BUTTERFLIES & THEIR HABITATS (2008)

"Some of life's most glorious shades fill this... book that does so much more than just help us to put names on Ireland's (species)."  
*Michael Vincy - Irish Times*

"(Harding's) book has been written for a wide audience and there is something in it for gardeners, professional ecologists, and indeed anybody with an interest in Ireland's butterflies."  
*Dr. Eugene Begau, MBA FRES - University of Cambridge*

"An absolute gem of a book."  
*Dick Warner - Irish Examiner*

Price: €35
